

Addenbrooke's Children's and Young People's Board

- ★ Are you between **8** and **18** years of age?
- ★ Would you like to **help** us to make services for children and teenagers at Addenbrooke's even **better**?
- ★ Would you be happy to **share your views** on what is important to you as a young person?
- ★ Would you be happy to **meet** with Addenbrooke's staff during school holidays to **share your ideas**?

And in detail ...

As part of our commitment to our younger patients, we are establishing a Children's and Young People's Board ... which will:

- ★ **empower children and young people** to help us provide a better service in better surroundings
- ★ **provide valuable insight** for staff ensuring services meet the needs of children and young people
- ★ **provide a fun opportunity** for children and young people to meet staff, to learn more about the hospital, to shape services ... to make a difference.

Meeting at least six times a year the Board will be a mix of boys and girls between the ages of 8 and 18 who are either current or past patients ... but you don't have to be a patient to 'come on board'.

Approval and parent, or carer, support is required and a commitment to attend the meetings.
