

Oncology Directorate and Haematology SDU

Sarcoma Team

You have been referred to the Sarcoma team here at Addenbrookes for specialist treatment and follow up of you sarcoma. The team consists of:-

Dr Helena Earl	Consultant Medical Oncologist (Sarcoma Lead)
Dr Helen Hatcher	Consultant Medical Oncologist
Dr Gail Horan	Consultant Clinical Oncologist
Dr Ramesh Bulusu	Consultant Clinical Oncologist (GIST)
Dr Li Tee Tan	Consultant Clinical Oncologist (Gynaecological)
Dr Charlotte Coles	Consultant Clinical Oncologist (Gynaecological)
Specialist Registrar(s)	Rotational posts.
Karen Sherbourne	Sarcoma Nurse Practitioner
Racquel Antonio	Named Clinic Nurse

We work very closely with surgeons from within Addenbrookes, Papworth, The Royal Marsden, Royal National Orthopaedic Hospital at Stanmore and Royal Orthopaedic Hospital at Birmingham.

A Sarcoma Multidisciplinary Team meeting is held on the second & fourth Thursday of the month where cases are reviewed and treatment decisions are made.

Clinic is held on:-

Thursday morning (Dr Earl/Dr Hatcher/Dr Horan) - new referrals, patients on treatment (chemotherapy) and follow up post chemotherapy.

Appointments:-

On Treatment

You will be seen in clinic on a Thursday to check how you have tolerated the chemotherapy and to see if your blood results from the samples taken are satisfactory; if you're treatment requires you to be admitted to the Oncology Ward - D9 you will hopefully be admitted on the same day as your clinic appointment but this can not always be guaranteed. If your chemotherapy treatment is to be given as an outpatient your treatment will be given on the same day. Come prepared to be here most of the day.

Follow Up (post treatment)

After your treatment has finished, your doctor will want you to have regular check ups. At the follow up appointment you will be asked about your general health and well being and if you have any symptoms you are concerned about. At these follow up appointments you will probably be examined, may be required to have blood tests and a chest x-ray.

Your appointments following treatment will be initially every two to three months after two years the appointments will be less often but follow up is for 10 years. If you are worried or notice any new symptoms between appointments you must let us know as soon as possible; you don't have to wait until your next appointment.

Radiotherapy Review Clinic - Wednesday

If you are receiving radiotherapy as part of your treatment plan you will be reviewed every week to assess how you are tolerating the treatment.

Please feel free to contact either Karen Sherbourne (Nurse Practitioner) or the named nurse if you have any questions relating to your diagnosis, treatment, or any other issues of concern. Contact numbers are detailed below:

Karen Sherbourne- Sarcoma Nurse Practitioner
